ABSTRACT

The abstract submitted for 7th International Symposium on Design, Operation and Control of Chemical Processes (PSE ASIA 2016), Tokyo should follow the layout and guidelines given in this document. The template is designed to ensure uniformity of different abstracts and to facilitate the publication of the Book of Abstracts in black and white. Set and use English (U.S.) for the abstract. We thank you for your cooperation in following the layout and guidelines given in this document.

General Instructions: Abstracts should be written in English. The length of the abstract should not exceed one A4 page. Throughout the abstract, use Times New Roman font with single spacing between lines. The recommended font size is 14 pts for the paper title and 11 pts elsewhere. The main text should be justified on both sides. The use of footnotes, figures, and tables are discouraged. The format and size of the submitted file should be PDF or MS Word and less than 5 MB respectively. The PDF format is recommended.

Title: Please provide a descriptive title of the paper. The title should be set using capital letters and should not span more than 2 lines.

Authors and Affiliations: Include the first name, middle initial and surnames of all the authors. The name of the presenting author should be underlined. The affiliations of all the authors should be included. The e-mail of the corresponding author should be shown.

Keywords: Provide up to 6 keywords, separated by semi-colons.

Equations: The equations should be indented with the numbers displayed on the right side in parenthesis.

$$E = mc^2 \tag{1}$$

Acknowledgements: Any acknowledgements can be included at the end of the main body of the abstract (before the references).

Citations and References: In the text, refer to literature citations in the author-year format, *e.g.* [Author, 2016] or [Author1 and Author2, 2016] or [Author 1 *et al.*, 2016]. The references should be placed at the end of the paper in the alphabetical order.
